HIGHEST SCORING WORKING HUNTER HORSE OF SHOW

Winner to receive \$500 Prize money

donated by HorseZone.com.au

and a garland donated by SP Garlands

The Highest Scoring Working Hunter of Show title will be awarded to the highest scoring combination from the following classes: Novice, Intermediate and Open Working Hunter. If there is a tie, the winner will be determined on the basis of the judges' assessment of conformation and paces.

Competitors may be asked to perform an additional workout on the flat.

The judges' decision will be final.

Working Hunter Conditions of Entry

- Horses of any height can enter any of the classes
- Classes will be divided into Pony/ Galloway/ Horse for the giving of placings (1-6th place). Champion and Reserve titles will then be awarded to the overall highest and second highest scoring combinations.
- Competitors may enter two consecutive height classes (eg: Class 2 & Class 3)
- Horse entered in Pony/ Galloway/ Hack classes in Ring 4 are not eligible to enter Working Hunter Classes
- Presentation of ribbons will take place immediately following the completion of the class.
- For the 2010 Show the term 'Novice' 'Intermediate' & 'Open', when used in the context of working hunter classes are to indicate the increasing height of jumps – the terms do not relate to ribbons won by horsers at any past show. Therefore a seasoned horse may enter the novice class & vice versa.
